

## Alice's Corner

I know all of you are going to be surprised as you visit our Store in the next coming months. We are planning for our first Christmas showing inside and outside the Store and it will take us a while to get it all decorated. So when you come in this month and see "Christmas" just remember that when this "early" preparation is finished, you all will enjoy a wonderful Christmas event. We are excited and hope you will be as well. Not only will we be open new hours in November and December but will be open **SPECIAL HOURS and DAYS for the Christmas tours**, so mark you calendars; invite all your friends, neighbors, and relatives. Because we are off the beaten path some will not be aware of our "party and displays", so please; you as our loyal clients and customers spread the word. Our last class of the 2010 season is coming up October 9th at 10:00; subject "Winterizing your pond". This class is most always well attended so be here with your questions. For those of you with new ponds, this class is one of the most important you will attend. We will cover how to "put your pond to sleep" and nurture it over the cold winter months. We truly appreciate all of you who have been present at one or more of our fifteen classes. We had a full house at every class which makes it worth our while to continue these for you. We have just finished planning our class schedule for next year and our first class, March 12, 2011, will be "waking up your pond after hibernation".

**Our hours after October 9th until the end of December will be Monday through Friday 9:00 a.m. to 6:00 p.m., Saturday 10:00 a.m. to 5:00 p.m. and closed on Sundays.** *This is a change from our regular Store hours. The Store will NOT open until 9:00 a.m. during the week and 10:00 on Saturdays. Please take note.*

*Our hours for the "Christmas Walking Tours" will begin Friday, November 19th, from 9:00 a.m. to 8:00 p.m.; Saturday, 10:00 a.m. to 8:00 p.m. We will be closed all Sundays. Thanksgiving weekend, we will open Friday and Saturday from 12:00 p.m. until 8:00 p.m. Hours will return to the new regular hours Monday through Thursday 9:00 a.m. until 6:00 p.m. and open on Fridays and Saturdays until 8:00 p.m. through December 23rd.* I know you will all be delighted with everything we have planned and put into play. You will definitely be in the Christmas spirit by the time Christmas gets here. And remember, this will also give each of you with your pond dollars more hours to redeem them. We will remind you of this once again in our November Newsletter.

Each year, we try to come up with something to surprise and welcome you to our Store. This extravaganza should be a pleasant event for all of you. Having a pond will not be a prerequisite for this visit, but who knows when the "pond bug" will strike and our hopes are that you will return to our Store for education and supplies. As all who have visited us in the past know, our gift shop is becoming a worthwhile trip in itself. The gift shop this time of year will offer a wide variety of Christmas ideas. We have lovely gift sacks for wrapping. Mike, Jay, Juan and I hope to be able to help you with your Christmas lists for those of all ages and gender.

Lest we forget, we hope you enjoy a wonderful fall including a fun and safe Halloween this month.

*Alice*
