

Alice's Corner

Yes, it is still October and we are doing the November newsletter. But, we have a lot to say and you need to know some of the news early. Our priority for you at this time is to inform you we are doing an early inventory this year...October 28 to be exact. As we tell you, our parent Company-Unit Liner Co.– has now seven divisions and we all use from the same inventory. Because of this and to keep everything straight, we need to shut down computers throughout the Company. So to make a long story short, we will be **closed Friday, October 28, 2011, for inventory purposes**. We will again **reopen Saturday, October 29, 2011 at 10:00 a.m. and close at the usual time of 4:00 pm**. Thank you for your understanding.

Now, the good news is, we are once again having our Christmas Extravaganza with even more lighting outside and displays inside. We will have all the decorations (I hope) inside the Store by November 15th. **The night lighting tours will begin December 1st. This year we have added an extra "tour night". We will be open Thursday, Friday, and Saturday nights through December 22nd until 8:00 each evening.** The lights will remain on again until 10:00 p.m. if you want to just drive by. You will miss so much if you do not allow the time to walk through the yard and the Store. It doesn't take that long and you must come see how hard everyone has worked to make it beautiful for you our friends and clients. There will be gifts for you to buy for yourself and for those on your list. There will be decorations (including some lighted displays I was able to find at market) that you can buy for your home. We have the lighted Cherry trees in already and they are beautiful in orange, red, blue, green and white. Also November 15th will be the beginning of **POND DOLLAR REDEMPTION**. You can bring in all your receipts and coupons and spend twice the totaled amount while only paying half. The items you want must be in-stock items. Certain sale items will be limited. The items heavily reduced in price can not be purchased with pond dollars. However there will be very few, if any, to which that will apply. Just letting you know up front. As you have been informed we changed our hours and are now closing on Sunday and Monday, but are still staying open late during the week and open on Saturdays. Hope this has not hurt any of you too much. Our main concern is customer service, and then again, my guys needed some time. This appears to be working for both. We have not yet had too many complaints. We appreciate all of you and how loyal you continue to be for us. Because of this we keep training to be better able to keep up with what you will need to know. Come for Christmas!!! **Alice**

Tips and Tricks

It's cold outside and your fish have begun to slow down. Their metabolism is so low right now you should stop feeding them if you haven't already. Don't forget to add bacteria to your pond this winter. The good bacteria will continue to do their work even as the water approaches freezing. Your plants may have all died off by now and if you haven't already trimmed them, do it now. Any hardy lilies should be trimmed off and moved to the lowest point in the pond to winter over. You can probably remove the net you put over your pond last month, all the leaves should have fallen; if yours haven't then leave it on.

New Things to See

Go visit our new website. Jeff, our web developer, has done a fantastic job. It's so user friendly. And look at the catalog! It's in sections so you can go right to whatever you're looking for. Let us know what you think at news@pondproshop.com.

\$\$\$\$\$\$\$\$ It's Pond Dollar Redemption time \$\$\$\$\$\$\$\$

Remember, every class you attended this year earned you ten pond dollars and every \$10 you spent in the store also earned you a pond dollar. Now is the time to redeem those pond dollars for up to 50% off in stock items in the store not already on sale. Pond Dollars may not be used for some sale items. Redemption starts November 15th and continues through December 30. This is a great way to get that special pot, fountain, UV light, extra pump or anything else you've been wanting.

NEW Store Hours

9-6 Tue-Fri; 10-4 Sat; Closed Sun and Mon

Free Classes - SPRING SCHEDULE 2012

Check the schedule for start times. All classes are free and open to the public. No advance registration required. More classes added each month. Ten Pond Dollars awarded for each class. Watch this schedule each month for more classes. We train rain or shine in the only indoor pond training facility in the U.S.

Mar 3
10:00am **Spring Startup**
 We'll help you get your pond off to a good start for the 2012 season. We'll cover what to do to help your plants, your fish, the beneficial bacteria and your UV light. Bring your questions.

Mar 17
10:00am **Pondless Build**
 The first building class of the new season. Come learn the techniques of the pros. Jay and the crew will tell all in this class on how to construct a pondless feature.

Have an idea for a class you'd like to attend?
