

*Alice's
Corner*

“Oh Come all ye Faithful” and walk through our “Winter Wonderland”. “We Wish you a Merry Christmas” this year of 2011. We have not had many “Silent Nights” or days as we prepare for this year’s Christmas Extravaganza. “Christmas is Coming” and we have been “Decking the Halls” and grounds, as well as inside the Store. “I Wonder as I Wander” through the yard and listen to “Jingle Bells” and “Joy to the World”, if as “Santa Claus is Coming to Town”, he will enjoy our “Rocking’ Around the Christmas Tree”, our “Silver Bells” and our “Mary’s Little Boy Child”.

Sorry about all the above, but we have been deep in Christmas boxes for the past month and listening to the Christmas carols keeps me motivated. Everything is beginning to take shape and make sense as we put a little Christmas out at a time as we

have opportunity and, in my case, more muscle than I myself have. Just so you won’t be thinking, “well we saw it last year”, and “lights are all the same”, remember we always try to stay fresh with new ideas and product. Jay and Juan have added about 20,000 more lights. I have brought in more snowing trees, LED lighted trees for inside or outside, flat pre-lit trees for small spaces, more ornaments, Santa’s, and snowmen. New Woodwick candle scents have arrived. My favorite item this year is a silver metal train consisting of the engine and two cars attached to an arched track that fits nicely under a tree or on a mantle. We have some stunningly beautiful angels that I found at market. They are a little pricey but so many have asked for angels that I brought these unique ones in to share with you. These will make any home décor lovely.

Don’t forget to use your pond dollars this year. They will expire December 30, 2011. The pond dollar program has been very successful the past few years and is for your benefit as well as ours. The more you buy here the more pond dollars you earn; then the more discounts you receive at redemption time. If you have not kept all of your receipts, we “should” have a copy in our system. Our computer system has had a few ups and downs this year.

Also as Mike has informed you we have wonderful Fraser Fir live trees and wreaths shipped in from North Carolina. For those of you who love the fresh scent of a live tree, you can’t beat these. Another thing you can’t beat are the prices. Mike and Jay have done well finding these trees at an affordable price for our customers.

“I Pray on Christmas” that you and all your family and friends remain safe, warm, and blessed. All of us here at Pond Pro Shop wish you the very best remainder of this year and a wonderful new year of 2012. Alice

Special Note

We receive a lot of wonderful comments from our customers and many have expressed, “I’d really like to work here.” Now is an opportunity to do so. We are in need of two or three part time seasonal people who have retail sales abilities as well as good computer skills. You must be able to stand for long periods and work both inside and outside. Product training will be provided. Of course, we would like someone who likes people, is flexible, has a positive attitude and has a passion for ponding. You’ve seen what we do, if you’d like to join us, pick up an application in the store. All hiring is done through Express Personnel Services of Shawnee.

New Things to See

The lights in the yard. All of the beautiful Christmas displays. Over 400 Pots. Many new fountains and statuary pieces, live trees and wreaths arriving soon.

Free Classes - SPRING SCHEDULE 2012

Check the schedule for start times. All classes are free and open to the public. No advance registration required. More classes added each month. Ten Pond Dollars awarded for each class. Watch this schedule each month for more classes. We train rain or shine in the only indoor pond training facility in the U.S.

Mar 3 **Spring Startup**
10:00am We'll help you get your pond off to a good start for the 2012 season. We'll cover what to do to help your plants, your fish, the beneficial bacteria and your UV light. Bring your questions.

Mar 17 **Pondless Build**
10:00am The first building class of the new season. Come learn the techniques of the pros. Jay and the crew will tell all in this class on how to construct a pondless feature.

Have an idea for a class you'd like to attend?
